

## **MEDIA RELEASE FOR ELITE SIMULATION SOLUTIONS AG**

### **FIRST FULLY INTEGRATED, TRANSPORTABLE DESKTOP ADVANCED ATD**

The first fully integrated, transportable desktop Advanced ATD (AATD), the ELITE PT-136 "Proficio", has received FAA certification. The PT-136 was designed specifically for portability and ease of operation. It is the ideal solution for classrooms, learning labs, freelance instructors, space limitations and personal training. The Proficio delivers the latest in digital technology, including integrated GNS 430 WAAS GPS and multiple aircraft modules, including the Cessna 172, 172RG, 182, Piper Archer III, Arrow IV and Beach Bonanza A36.

The Proficio's FAA certification includes 20 hours of flying credit toward the instrument rating, 50 hours toward the commercial rating, 25 hours to the ATP rating and the device can be used for instrument proficiency checks (IPCs), instrument currency requirements and 2.5 hours toward the private pilot's licence.
