### **Executive Flight Training LLC of Beaufort, South Carolina Orders a single ELITE iGATE G501 Advanced Aviation Training Device**

Oviedo, Florida, August 24, 2007

Executive Flight Training LLC of Beaufort, South Carolina has ordered a second ELITE iGATE 501 (in Europe iGATE G512) for use in their flight training organization. This order will supplement the already professional training footprints used by Executive Flight Training. Using the state-of-the-art fleet of ELITE Simulators provides an efficient and cost-effective way to learn, practice and maintain instrument flying skills. The ELITE iGATE will come complete with the latest in flight simulation software, and the best in customer and technical support available.

The complete line of ELITE aviation training devices provides the highest level of fidelity, ease of use and is the most popular flight training device in its class on the market today. All of the ELITE Basic and Advanced ATDs have the highest benefit-to-cost ratio of any comparable training device with the best customer service and technical support in the industry.
