FOR IMMEDIATE RELEASE

ELITE Simulation Solutions is pleased to announce BASA *Baires Aviation Services* of Buenos Aires, Argentina as our newest ELITE marketing partner. BASA recently purchased several ELITE iGATE Advanced Aircraft Training Devices for pilot training at their Buenos Aires location. This represents the continued popularity of the entire ELITE Simulation Solutions product line. BASA's decision to become an ELITE marketing partner reflects their confidence ELITE Simulation Solutions.

BASA provides education and training to pilots and aviation professionals, with sound theoretical background and the maximum practical requirements, to meet the needs of the present aeronautical market.

For more information on this or any other ELITE product please contact 407-277-7700 x205 or email [Stephen@flyelite.com](mailto:Stephen@flyelite.com).
