### **Global Aviation Upgrades its ELITE FNPT II Flight Simulator to FNPT II Be200/ MCC**

Global Aviation SA upgraded its FNPT II flight simulator to Multi Crew Cooperation (MCC). The aim of the MCC is to provide a bridge to ATPL holders to become proficient in multi-crew cooperation with view to a future workplace within a cockpit environment.

Mr. Alexandros Tsaktanis, Managing Director of Global Aviation S.A., said: “We are very proud that Global Aviation has reached a major milestone in its long pilot training history. We consider this as an important step towards ensuring competitiveness and we are committed to further expanding our fleet in the future”.
